## Godparents:

Godparents promise to help your child grow close to God by their own example of a Christian life. Parents please take this into account when you choose your child's godparents. Parents need to choose two Godparents of the same sex as your child and one of the opposite sex. Godparents must be baptized themselves. Some parents prefer to have four godparents.

As a godparent you should ask yourself:

Are you prepared to give the child a Christian upbringing within the family of Christ's Church, help the parents bring the child to church and pray for them?
