

## KURDISH LADIES FRIENDSHIP GROUP

This popular group provides English tuition, a free crèche, social and creative activities. Growing in popularity we now meet twice weekly; Tuesday mornings at St. Faiths (next to Landport Community Centre) and Wednesday mornings at the Empower Centre, Kingston Road which is run by Portsmouth Family Church. Due to increasing numbers, we now find ourselves in need of extra help, especially in the following specific areas:-

- Creche - Gill Wakefield – who runs the Wednesday morning crèche – would greatly appreciate another pair of hands to help with the pre-school children.
- Teaching - At present our English tuition is on an informal basis but we are looking into providing a more structured programme e.g. Headway, ESOL etc. If you have suitable experience – and the time – to help us provide this we would be extremely grateful. Vacancies exist for both the Tuesday and Wednesday groups.

The Kurdish ladies love getting out of their homes and meeting with their friends and really appreciate the love and help which we offer them in the name of Jesus.

If you feel you could help us with this exciting ministry then please contact:-
