Fire Procedures

Fire Prevention. In order to prevent a fire from occurring I am aware of the following measures which are to be implemented and adhered to:

- a. The hatch between the kitchen and the hall should always be left open (this is to enable anyone in the kitchen to hear a shout of "Fire" from elsewhere in the hall. The hatch shuts automatically if a fire gets anywhere near to this).
- b. Combustible materials are not to be left outside the building, thereby, being accessible to potential arsonists.
- c. The no smoking policy is to be adhered to at all times.
- d. If I require the use of electrical equipment for our planned activities not belonging to the hall these must have a valid Portable Appliance Test sticker.

Escape Routes. There are two escape routes from the hall:

- a. Main entrance doors to the hall; and
- b. Door at the West end of the hall

The most appropriate exit should be used in the case of a fire. At all times these exits must be kept clear.

Fire Extinguishers. Fire extinguishers are available at strategic points within the building. (In the event of a fire, occupants should only use the fire extinguishers if they are confident and have been trained to do so. Occupants must not put themselves or others at risk if they attempt to fight the fire. The extinguishers are for use on small fires only; such as in a waste paper bin. If the fire has not been extinguished after the fire extinguisher is empty the fire is to be left alone, the alarm sounded, building evacuated and Fire service contacted by using 999.)

Emergency Evacuation Procedures. When becoming aware of a fire I undertake to ensure:

- a. The leader of the activity/party etc is to quickly and calmly direct people to the nearest exit.
- b. Personal belongings should not be collected.
- c. Leaders of the hall activity group are to check that all rooms and toilets are empty.
- d. All personnel are to congregate at the fire assembly point, which is in the car park to the front of the hall.
- e. Leaders of the activity group(s) using the hall are responsible for checking that all their people are present.
- f. The leader of the activity group using the hall is responsible for contacting the fire brigade.

Procedures in the Event of an Accident

10. If a person using the hall has an accident I undertake to:

- a. Use the first aid kit to administer first aid;
- b. If the injury cannot be treated by first aid then assistance is to be sought by telephoning 999 and requesting an ambulance.
- c. After the incident the accident book is to be completed. If the injured person has not been taken to hospital they are to co-sign the incident entry.
- d. Inform the hall manager of the incident.

The Revd Paul Gully
Rector

Dear Hall User,

As the person renting the hall, please note the following requests to help maintain the Fabric of the hall (point 3) and to adhere to Fire and Health and Safety Regulations (points 1,2 and 4):

1. ensure the bolts on the inner door are released on entry (and secured on exit) allowing both of the double doors to be used for ease of escape in an emergency; please check all toilet areas to ensure they are empty.
2. ensure the clearly labelled fire exit – on the opposite side of the hall - is always left clear during your function and when you leave;
3. ensure that no-one present at your function hangs any decorations, pictures or posters on the walls, doors or surfaces with '**blue tak**', '**sellotape**' pins or similar materials. You may hang your decorations from string threaded through the holes in the concrete beams, making sure this is removed on vacating the hall.
4. due to insurance regulations the use of a bouncy castle or similar activity is **NOT** permitted either inside or outside the Church Hall including the surrounding area.
5. Please note: the Garden of Remembrance at the rear of the hall is **NOT** part of your hire and respect for the purpose of this area is requested.
6. Please do not leave any bagged rubbish either inside or outside the hall; this should be taken away with you.
7. The size of the hall is 11m long by 8.3m wide.

Thank you for your co-operation with the above points and I hope that you have a very successful event.

*I confirm that I have read the above and will ensure that I comply with these.
